Vision

// Highlights

No Blind Spots with 160° FOV

A 160° diagonal field of view offers exceptional coverage, ensuring you see MORE from head to toe in a single, uninterrupted sweep.

Free AI Detection

Enjoy free AI detection to identify people and vehicles, and notify you as needed.

// Highlights

2K 3MP Sees Everything, Day or Night

When it comes to protecting your home, every detail matters. With high-definition 2K 3MP video and image clarity both day and night, no crucial detail will ever be missed.

Works with Alexa and Google

Integrate seamlessly with Alexa and Google Assistant, controlling and monitoring your devices effortlessly with your voice.

// Features

6400mAh Battery Life

The equipped 6400mAh rechargeable battery extends the doorbell's use.

Wire-Free Placement

No wires means you can place the doorbell anywhere you want.

Flexible View with Wedge

Enjoy a flexible view with the included horizontal wedge.

Color Night Vision

Full-Color Night Vision paired with a powerful spotlight unveils your front doorstep in vivid detail.

Two-Way Audio

Communicate in real time through a built-in microphone and speaker.

Quick Response

Respond to your deliveries without saying a word with customizable responses through the Tapo app.

Indoor Chime Provided

Up to 95dB alarm with a variety of ringtones.

Customizable Activity Zones

Set customizable activity zones to receive more accurate notifications.

Anti-Theft Alarm

Be alerted when someone is trying to remove the doorbell.

[†]microSD card needs to be purchased separately.

^{**}Tapo Care needs to be subscribed separately.

^{*}Compatible with Alexa and Google Assistant supported displays. User experience is dependent on the connected services.

[§]Chime can only be used indoors.
